

Nursery Weekly Homework Week 6

Hello Everyone!

We have reached our final week in Nursery! It has been an amazing journey for all of us, where we have made lots of fantastic progress and made even more memories. With that in mind we are using this week to look back and think about what we have enjoyed this year. Thanks for all your engagement and cooperation over the past academic year.

The Nursery Team

PE- exercise is very important so we encourage you to engage in some form of physical activity. This could be a video on youtube or a walk in your local area.

Let's be Superheroes - <https://www.youtube.com/watch?v=Py4fhsx3Ct4>

Maths

This week for maths we are consolidating our learning on counting.

Monday - Have a big jar and encourage your child to count pasta into the jar. let them continue counting up to 20. Take out the pasta and ask your child to put in a certain number. eg 7. Let them count the number and then encourage them to write the number. Shout out a couple of numbers and encourage your child to put that number of pasta in the jar. Encourage them to write down the number each time.

Tuesday - Play topmarks

<https://www.topmarks.co.uk/learning-to-count/teddy-numbers> choose the appropriate numbers depending on how confident your child feel can confidently count up to. eg: 5,10,15. Child gives teddy the correct number of cakes.

Wednesday - Play 'Find the number' This game helps children find a certain number in the mist of others. If your child gets stuck, encourage them to count from one onwards until they reach the certain number.

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

Thursday -

Thursday - Subtraction - ask your child if they remember what happens when a number is taken away.

Explain that subtraction is another word for takeaway. Explain that the number gets small when we subtract. Hold up 6 fingers and ask what will happen if 3 is subtracted. Put down 3 fingers and let your child count the remaining fingers. Say 6 subtract 3 is 3.

play this game <https://uk.splashlearn.com/subtraction-games> (subtract with pictures up to 10)

Friday - Subtraction - Play this subtraction game with your child. Have pen and paper at hand so your child can first write the answer and then check. <https://uk.splashlearn.com/addition-games> ((subtraction sentence up to 10)

Daily Phonics

This week we will be recapping the sounds 'w'

<https://www.youtube.com/watch?v=jiiXLYrt3qk>

Have a go at doing these activities;

1. Write the sound both large and small scale.
2. Sort objects by their initial sounds. Use objects that start with w and some other sounds. You can add objects that start with neither sound as an added challenge.
3. Play Fred's Table - <https://schools.ruthmiskin.com/training/view/NX0bgidW/S8rY0jPc>

Literacy

Our learning intention will be to listen to and talk about our favourite stories.

This week we are going to talk about which are our favourite stories and why. We are going to remind ourselves of some of the stories we have read this past year and re read some of our most loved.

Each day we will read a different story and talk about opinions on it. Do we like the story? Why? What was favourite part? Who was our favourite character?

Remember to have lots of fun - reading is an enjoyable activity and you can enhance this by using props or puppets to bring words to life.

our
our

Topic

Creative - Make your own superhero costume. Use some material to make a cape, and draw and cut out your own superhero mask. Use an old cereal box to make it really strong and sturdy. You can decorate it however you'd like.

Understanding the World - To understand our own story.

This week we are thinking about our memories and experiences of the past year. Talk to your child about their favourite things about nursery. Can they talk about specific moments or activities they really enjoyed? Can they remember who they shared these experiences with?

PSHE - did you know we have superpowers too? Read this story together. Can you think of what your own superpower is? - <https://www.youtube.com/watch?v=6P-Y M9q7RM>

Sensory play

1. Use jelly, gel or water beads to create your own world for Aquaman.
2. Create your own playdoh superheroes - recipe here: <https://www.bbcgoodfood.com/howto/guide/playdough-recipe>
3. Make a superhero themed lava lamp. <https://www.youtube.com/watch?v=eA67rfLaL4>
4. Create a safe space for your child to try out all their best superhero moves.

You can send pictures of your work to nursery@osmani.towerhamlets.sch.uk or post them in our google classroom.
