Creative Arts/DT

This half term we will be thinking about superheroes. With that in mind, can you design and draw your very own superhero? Think about what your hero's power will be, what they will wear and how it helps them to do their hero job. Once you have drawn it, label the different features and write a sentence or two to describe your hero and their powers.

Changing ME

Think about changes that have taken place in your life so far such as coming to school for the first time, eg. moving to a new house. Think about how it felt when you had to make those changes. Next year you will be going into Y2. What changes do you think might happen when you move to a new class? How are you feeling about it? What are some things we can do if we are worried about the changes coming up?

Draw a picture to show how you are feeling about moving to year 2.

Include the things you are worried about and the things you are looking forward to.

Label your picture/write a sentence to explain your feelings.
