History/Geography/Science

Geography / History

What is special about Curitiba? - Lesson 4

Click on the link below to find out more. Then, write an SA to explain what you have learned.

<https://classroom.thenational.academy/units/energy-and-sustainability-4aaa>

Science

Electricity

What are insulators and conductors? - Lesson 4

<https://classroom.thenational.academy/units/electrical-circuits-06f7>

RE

Be better and do more.

Think about how we change during our lives and aim to improve ourselves.

Think about the seasons that change each year and we adapt to our different environments.

How can we be better and do more for the environment we live in?

Watch the short video below about climate change and then write an SA about the small changes you can make in your life to help improve climate change (e.g. not wasting water, recycling more often).

PSHE

I have a dream.

Think back to your learning from Spring 1 when you discussed your dreams and goals.

As you move into your new class, think about what your goals are for next year.

Make a list of your goals for Year 5, what you would like to achieve and how you will plan to reach your goal.

Watch the short video below for more ideas.
