RE

Last week you explored pictures of the natural world, looking at natural features, such as mountains, trees, rivers and hills. Imagine you could design a new tree to be added to the natural world.

What would your tree look like?
Would it be tall or wide or both?
What kind of leaves would your tree have?
Which fruit would it grow?
Or would it grow something else?
Remember to add the background of the tree.

Create a picture, painting, collage or 3d model of your special tree. Once completed, take a picture and email it.

Now explain in writing what is special about your tree and your reasons for your design.

PSHE

What are you looking forward to in Year 3?

The start of a new school year can be a big change – What are you looking forward to in your next school year?

1. Write and draw something you are looking forward to in Year 3.
2. Write and draw something you want to improve in year 3.
3. Record how you feel about going to Year 3.

LS:

I am looking forward to...

I would like to improve...

I feel.....because....
