Foster the Enjoyment of Learning

We plan stimulating and exciting lessons incorporating interactive, hands-on learning experiences. We capitalise upon the interests of children in order to motivate them.

We visit places of interest and welcome visitors to enhance the curriculum and children's life experiences.

"To describe this school, I think this school is phenomenal and spectacular."

Prepare For Our Future Wellbeing

At Osmani, we aim to become life long learners. Our children, staff and parents have many opportunities to be immersed in a rich variety of learning experiences. This includes learning inside and outside the classroom and connecting to the wider world. As a result of this, we equip our pupils with life skills needed for their future wellbeing.

"I want to be a scientist or an archaeologist and I'm learning about science and history."

Promote the Health and Wellbeing of all

Osmani is an inclusive school that values everyone equally, we believe everyone is important.

Our committed staff, parents and governors work hard to "ensure pupils have a thorough understanding of the factors affecting their physical, mental and emotional well-being, this aspect of the school's work is outstanding."

Ofsted 2011

"Osmani helps us to be healthy and happy by doing 'fit in 5' everyday, giving us fruit, healthy meals at lunchtime and making PE fun."

Year 4 child

Osmani has a whole school approach both to physical and emotional wellbeing by promoting the social emotional aspects of learning through assemblies, teaching and playtimes.

Opening Up Horizons

At Osmani, we take great pride in providing all our children with an extensive range of extra curricular-activities such as the:

- Year 5 and Year 6 annual residential trips.
- Pantomime trips
- West End Theatre trips

We ensure our children have opportunities to learn and work with local partners such as Queen Mary, University of London, business partners, as well as engaging with other schools in the UK and internationally through projects, thus letting our children see the possibilities open to them.
